

Wearable Tech in Law School Simulations

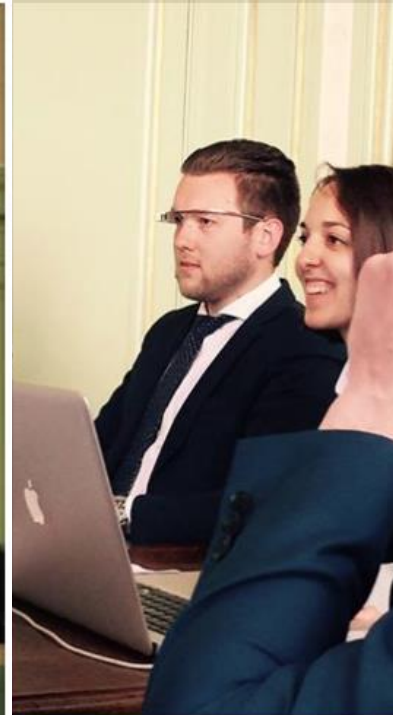

Catalina Goanta, Gwen Noteborn, Bram Akkermans and Tom Tonnard

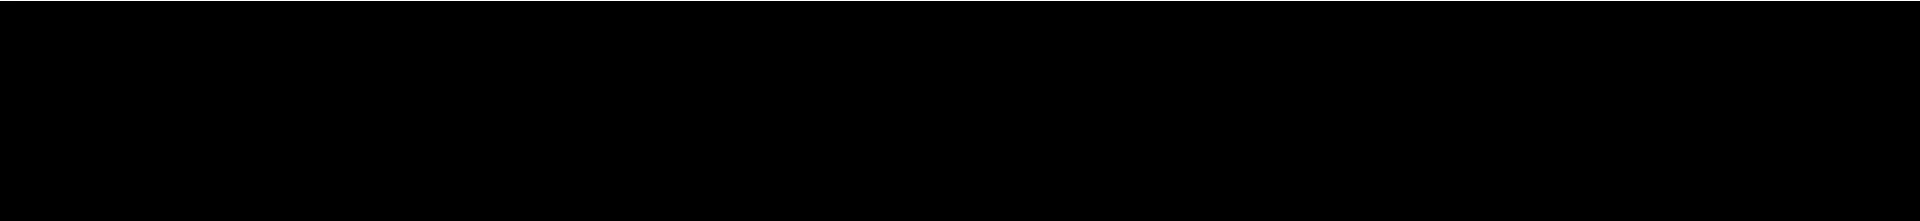

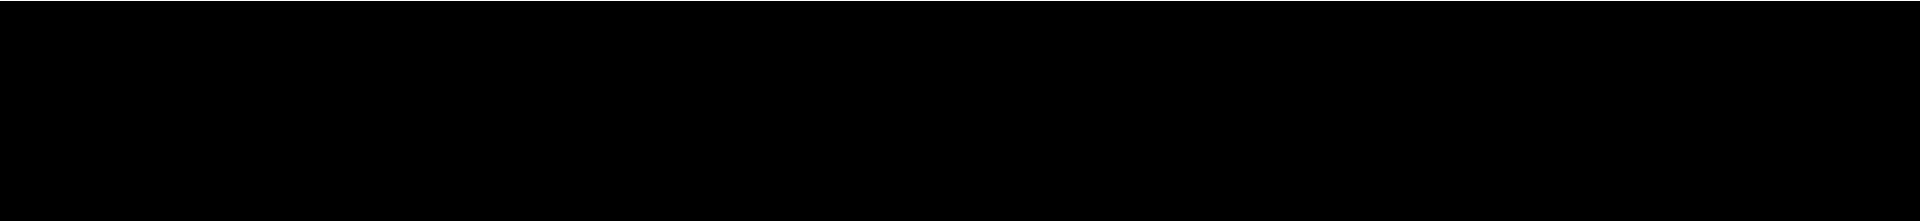

A stylized illustration of four robotic arms, each with two joints and a circular cutout, arranged in a circle with their hands pointing towards the center. The arms are dark grey with white outlines and joints. The background is a solid light grey.

**TECHNOLOGY
HAS CHANGED THE
WAY
WE LIVE**

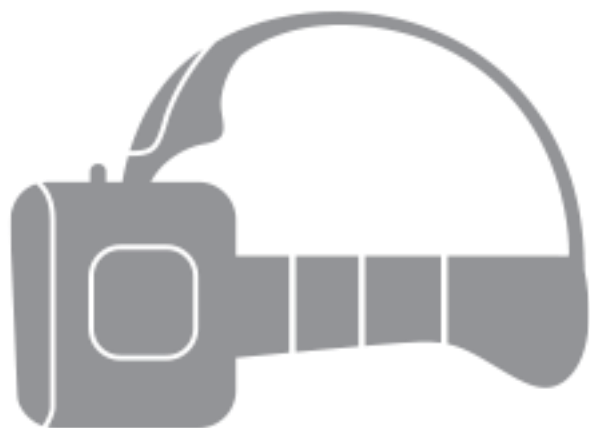

In order to excel on the
labour market
graduates need develop
procedural knowledge
and skills that are
transferable across
domains
